

Candidate: APLS 7e course programme

Day one

Time	Session			
08:00-08:30	Candidate registration			
08:30-09:25	Welcome and interactive lecture: Structured approach to assessing and managing the seriously ill child			
09:25-09:50	Illness simulation demonstration			
09:50-09:55	Comfort break			
09:55-10:10	Pre-brief with mentors in simulation rooms			
10:10-13:05	Simulations with embedded skills: Airway & Circulation (1x 60min pairing to include skills practice then 2x50min – paired sims) including refreshments 11.10 – 11.25			
		10:10 - 11:10	11:25 - 12:15	12:15 - 13:05
	Simulation Teaching - Illness	C1, C2	C3, C4	C5, C6
	Simulation Teaching - Illness	C7, C8	C9, C10	C11, C12
	Simulation Teaching - Illness	C13, C14	C15, C16	C17, C18
	Simulation Teaching - Illness	C19, C20	C21, C22	C23, C24
11:10-11:25	Refreshments			
13:05-13:45	Lunch			
13:45-14:30	Interactive lecture: structured approach to trauma			
14:30-14:55	Trauma simulation demonstration			
14:55-17:40	Simulations: Trauma (3 x 50min – 6 paired sims) including refreshments 15:45-16:00			
		14:55 - 15:45	16:00 - 16:50	16:50 - 17:40
	Simulation Teaching – Trauma	C3, C4	C5, C6	C1, C2
	Simulation Teaching - Trauma	C9, C10	C11, C12	C7, C8
	Simulation Teaching - Trauma	C15, C16	C17, C18	C13, C14
	Simulation Teaching - Trauma	C21, C22	C23, C24	C19, C20
15:45-16:00	Refreshments			
17:40-17:45	Course Director to meet with candidates – end of day catch up			
17:45-18:00	Day review and meet with mentors - discuss day two reflective session. Day 1 closes.			

Day two

Time	Session			
08:00-08:05	Day two preparation (Brief catch up with mentors)			
08.05-08:35	Reflective session: Candidates to sit in mentor groups and discuss day 1 using questions provided, facilitated by instructor or course director.			
08:35-09:15	Interactive lecture: structured approach to cardiac arrest			
09:15-09:40	Cardiac arrest simulation demonstration			
10:55-11:10	Refreshments (after first sim pairing)			
09:40-12:50	Simulations: Cardiac (1x75min pairing to include defib demo/practice then 2x50min – paired sims) including refreshments 10.55 – 11.10			
		09:40 - 10:55	11:10 - 12:00	12:00 - 12:50
	Simulation Teaching – Cardiac	C5, C6	C1, C2	C3, C4
	Simulation Teaching - Cardiac	C11, C12	C7, C8	C9, C10
	Simulation Teaching - Cardiac	C17, C18	C13, C14	C15, C16
	Simulation Teaching - Cardiac	C23, C24	C19, C20	C21, C22
12:50-13:30	Lunch			
13:30-16:10	Simulations: Final simulations requiring the MDT approach (3 x 50 minutes) including 10 min comfort break at 15.10			
		13:30 - 14:20	14:20 - 15:10	15:20 - 16:10
	Final simulation			
	Final simulation			
	Final simulation			
	Final simulation			
16:10-16:30	Refreshments Candidates: end of course reflection			
16:30-16:45	Feedback for course group and mentor/mentee feedback Course closes
