

Candidate: APLS 7e course programme

Day one

| Time | Session | | | |
|-------------|---|-------------|-------------|-------------|
| 08:00-08:30 | Candidate registration | | | |
| 08:30-09:25 | Welcome and interactive lecture: Structured approach to assessing and managing the seriously ill child | | | |
| 09:25-09:50 | Illness simulation demonstration | | | |
| 09:50-09:55 | Comfort break | | | |
| 09:55-10:10 | Pre-brief with mentors in simulation rooms | | | |
| 10:10-13:05 | Simulations with embedded skills: Airway & Circulation (1x 60min pairing to include skills practice then 2x50min – paired sims) including refreshments 11.10 – 11.25 | | | |
| | | 10:10-11:10 | 11:25-12:15 | 12:15-13:05 |
| | Simulation Teaching - Illness | C1, C2 | C3, C4 | C5, C6 |
| | Simulation Teaching - Illness | C7, C8 | C9, C10 | C11, C12 |
| | Simulation Teaching - Illness | C13, C14 | C15, C16 | C17, C18 |
| | C19, C20 | C21, C22 | C23, C24 | |
| 11:10-11:25 | Refreshments | | | |
| 13:05-13:45 | Lunch | | | |
| 13:45-14:30 | Interactive lecture: structured approach to trauma | | | |
| 14:30-14:55 | Trauma simulation demonstration | | | |
| 14:55-17:40 | Simulations: Trauma (3 x 50min – 6 paired sims) including refreshments 15:45-16:00 | | | |
| | | 14:55-15:45 | 16:00-16:50 | 16:50-17:40 |
| | Simulation Teaching – Trauma | C3, C4 | C5, C6 | C1, C2 |
| | Simulation Teaching - Trauma | C9, C10 | C11, C12 | C7, C8 |
| | Simulation Teaching - Trauma | C15, C16 | C17, C18 | C13, C14 |
| | C21, C22 | C23, C24 | C19, C20 | |
| 15:45-16:00 | Refreshments | | | |
| 17:40-17:45 | Course Director to meet with candidates – end of day catch up | | | |
| 17:45-18:00 | Day review and meet with mentors - discuss cases for day two reflection session. Day 1 closes. | | | |

Day two

| Time | Session | | | |
|-------------|--|-------------|--------------|--------------|
| 08:00-08:05 | Day two preparation (Brief catch up with mentors) | | | |
| 08:05-09:05 | Reflective session: Candidates to lead reflection on cases they have brought to discuss. IC mentor session: ICs to meet with IC mentor. | | | |
| 09:05-09:45 | Interactive lecture: structured approach to cardiac arrest | | | |
| 09:45-10:10 | Cardiac arrest simulation demonstration | | | |
| 10:10-10:25 | Refreshments | | | |
| 10:25-13:05 | Simulations: Cardiac (1x 60min pairing to include defib demo/practice then 2x50min – paired sims) | | | |
| | | 10:25-11:25 | 11:25 -12:15 | 12:15 -13.05 |
| | Simulation Teaching – Cardiac | C5, C6 | C1, C2 | C3, C4 |
| | Simulation Teaching - Cardiac | C11, C12 | C7, C8 | C9, C10 |
| | Simulation Teaching - Cardiac | C17, C18 | C13, C14 | C15, C16 |
| | Simulation Teaching - Cardiac | C23, C24 | C19, C20 | C21, C22 |
| 13:05-13:45 | Lunch | | | |
| 13:45-16:25 | Simulations: Final simulations requiring the MDT approach (3 x 50 minutes) including comfort break at 15:25 – 15.35 | | | |
| | | 13:45-14:35 | 14:35-15:25 | 15:35-16:25 |
| | Final simulation | | | |
| | Final simulation | | | |
| | Final simulation | | | |
| | Final simulation | | | |
| 16:25-16:45 | Refreshments Candidates: end of course reflection | | | |
| 16:45-17.00 | Feedback for course group and mentor/mentee feedback Course closes | | | |
